

Legal Information Reference Center - Browsing Popular Sources

Legal Information Reference Center allows you to browse popular sources from the Basic Search screen.

To Browse Popular Sources:

1. From the Basic Search screen, select a source from the list of available books. Browse the sources using the arrows on the left and the right.

The book you have chosen is displayed in the PDF Full Text viewer.

2. Select a chapter to read from the from the **Full Text Contents** menu on the left.

Note: For more information on using the PDF Full Text Viewer, see [PDF Full Text Viewer](#).
